Official Memorandum

Report No 9148-49 dated 6-7-48 from the President, Municipal Council, Yelahanka, submitting the budget for the year 1948-49, together with the resoluti n of the Municipal Council dated 29-6-1948, for sanction.

1 Recorded.

2. The Municipal Council, Yelahanka anticipate levied income and expenditure at Rs 46,130/- and Rs 34,902/- respectively as against the sanctioned and revised Estimates of Rs 25,995/- and Rs 16,664/- and Rs 11,529/- and Rs.84, Rs 34,467-3-1 respectively during the year 1947-48

Receipts

3 Under the head A(1) Octroi, the income of Rs 2,500/ anticipated during 1948-49 is increased to Rs.3,000/- since the income during 1946-47 and 1947-48 is more than Rs 3,000/- Hence an increase of Rs 500/- at the minimum is anticipated, more than Rs.2,500/- estimated by the Municipal Council

4. Under the head A(2) the provision of Rs 3,000/- is increased to Rs 4,000/- in view of the fact that the arrears are very heavy and a whole time bill collector is being appointed for the purpose, and revision of assessment is to take place during the current year.

5. The other items of Receipts are allowed to stand

Expenditure

6 The provision under the head A(2) (a) furnit re is reduced from Rs 350/- to Rs 200/- as an expenditure of Rs 300/- has been incurred during 1947-48 and as such Rs.200/- for the current year is quite adequate

7 Under the head A II (2), a provision of Rs 500/- is made for the Assessee, applied, as revision of Assessment is to take place during the current year.

8 The provision of Rs 2,802/- under the head B(2)(d) Electric Light Charges is reduced to Rs.2,500/- taking into account that an additional expenditure of about Rs 800/- is to be incurred in connection with the installation some more street lights in the Town, during the current year, apart from Rs 1,700/- being the usual budget provision during 1947-48

9 Under the head B(3) (h), the provision of Rs.300/- is reduced to Rs.225/- as per letter No.A1-123-53/47-48 dated 20-7-1948 from the Superintendent of Veterinary and Animal Husbandry

10 The financial position of the Municipality with the above modifications will be as follows -

P T O

Receipts during 1948-49.	47,630
Total	87,850

Closing balance on 30-6-1949.	57,975

11 The normal expenditure is within the normal Income of the Municipality

12. The Budget estimates of Yellandu Municipality is sanctioned with the above modifications for the year 1948-49

13 The Municipal Council, should take action at an early date for the levy of water cess in view of the fact that a bore well is already dug as a prelude for a comprehensive water supply scheme to Yellandu

14 As there is a heavy cash balance the Municipal Council is advised to invest the surplus funds as laid down in article 20 of the Municipal Manual Part II.
